

# SAVE **THE** DATE!

---

**CONVERGENCE OF CHILDHOOD  
OBESITY AND HUNGER**

---

**FEBRUARY 22, 2019**

---

This one-day interactive symposium, held at **West Chester University**, will focus on issues and opportunities related to food access for children and families in schools and in their communities. Join us in our attempt to uncover how various sectors—businesses, health care, and government—intersect on these important issues.

## CONVERGENCE OF CHILDHOOD OBESITY AND HUNGER:

# TAKING ACTION

Presented by the School of Natural Sciences and Allied Health of Cabrini University and the College of Health Sciences of West Chester University

FEBRUARY 22, 2019 | 8am–4pm

This symposium—ideal for professionals and students in nursing, public health, health administration, social work, physical and occupational therapy, nutrition, and physician assistant programs—includes a keynote speaker panel, breakout sessions, networking opportunities, and a healthy breakfast and lunch.

This is the third symposium following the two offered in 2015 and 2017 held at Cabrini University.

**REGISTRATION FEE: \$40, \$20 FOR STUDENTS**

**FOR MORE INFORMATION**, contact Maria Elena Hallion, PhD, at 610.902.8388 or [mehallion@cabrini.edu](mailto:mehallion@cabrini.edu).
