

Frequently Asked Questions

What is the delivery method of the 2021 ACSM Annual Meeting, World Congress on Exercise is Medicine®, and World Congress on the Basic Science of Exercise in Regenerative Medicine?

Due to the continued COVID-19 pandemic, in an effort to ensure the safety and well-being of all our attendees, exhibitors and partners, the 2021 ACSM Annual Meeting and World Congresses will be presented virtually.

Will the 2021 ACSM Annual Meeting and World Congresses be live?

Yes, the sessions will be presented at scheduled times throughout the week, similar to our in-person annual meeting. Following the week of the live, virtual event, these sessions will be available in an on-demand format. This allows you to access content when it is convenient for you.

When will the 2021 ACSM Annual Meeting and World Congresses start?

The live, virtual 2021 ACSM Annual Meeting and World Congresses will take place June 1 – 5, 2021. Details regarding the on-demand options will be provided when complete.

When will registration open?

Check back in January for more information regarding registration rates and when registration will open.

If I am a presenter, do I need to register for the 2021 ACSM Annual Meeting and World Congresses?

Yes, per ACSM policy, ALL presenters (including abstract presenters) are required to register and pay the registration fee for the conference.

Can I earn CECs or CMEs for the 2021 ACSM Annual Meeting and World Congresses?

Yes, participants will be able to earn CEC's and CME's just like in previous years.

What is included in the 2021 ACSM Annual Meeting and World Congresses?

The 2021 ACSM Annual Meeting and World Congresses will deliver content featuring the same excellent presenters ACSM Annual Meeting attendees have come to expect. Specifically, you will have access to:

Educational Sessions:

All approved sessions from 2021 submissions from all topical areas ranging from athlete care and clinical medicine to cancer, health equity, metabolism and nutrition, physical activity and much more.

Programming rolled over from the 2020 Annual Meeting and World Congresses:

- Basic Science World Congress on Regenerative Medicine
- Select sessions from the World Congress on Exercise is Medicine®
- Wolfe and Dill Lectures (in addition to the 2021 lectures)
- All named lectures
- President's lectures (in addition to the 2021 lectures)
- All highlighted symposia
- All exchange lectures
- Integrative Plenary Lecture

How will accepted abstracts and clinical cases be presented?

Accepted abstracts and clinical cases will be presented as ePosters.

Will I be able to interact with session and/or ePoster presenters?

Yes, we will encourage an active dialogue with session and ePoster presenters via our virtual platform chat feature.

What other events will occur during the 2021 ACSM Annual Meeting and World Congresses?

We continue to explore opportunities such as virtual 5k's, awards, industry-presented sessions and special interest group events for additional networking and events and will share exciting updates in the future.

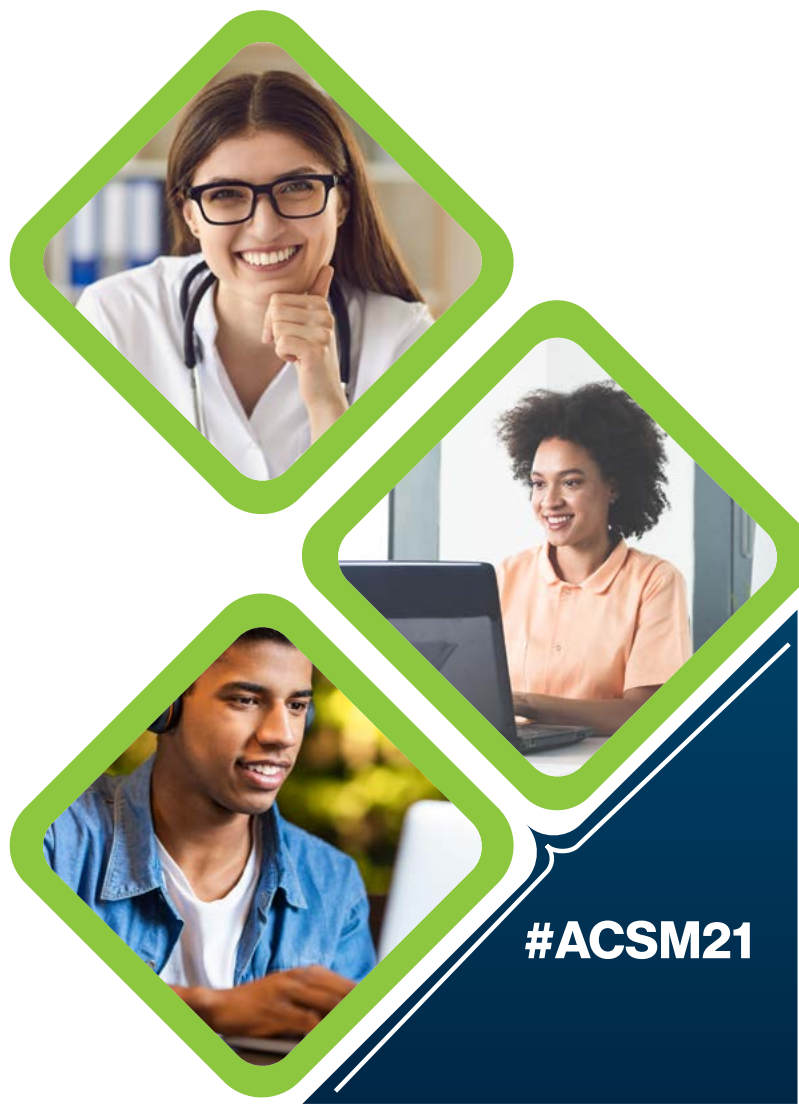

Will there be a virtual exhibit hall?

Yes, be on the lookout for more information on how to connect with our supportive exhibit partners and participate in networking activities.

Information for Exhibitors

Do you want to connect with 6000+ scientists, researchers, educators, physicians, other health professionals and students?

Information will be available soon. Please contact Anne Krug at akrug@acsm.org for additional details.
