COURSE DESCRIPTION
The Advanced Team Physician Course (ATPC) is a collaborative effort between ACSM, AMSSM and AOSSM. The live activity is designed to provide up-to-date information on the evaluation and treatment of medical illnesses and musculoskeletal injuries occurring in competitive and recreational athletes. While the emphasis will be on athletes participating in team sports, many topics will be applicable to competitors in individual sports. The live activity format utilizes lectures, case presentations, debates on controversial topics, panel discussions, question-and-answer sessions as well as informal discussions with the faculty.

TARGET AUDIENCE
This conference will prove valuable to any team physician, certified athletic trainer, physical therapist or coach concerned in the management or prevention of injuries to the team athlete.

LEARNING OBJECTIVES
Upon completion of this course the participant will be able to:
- Perform screening for cardiac abnormalities
- Describe the current concepts for treatment of ACL injuries
- Apply diagnostic principles to common elbow pathology
- Correlate physical exam of hip and ground pain with advanced imaging
- Explain treatment for cartilage and meniscus injuries in athletes
- Describe sports medicine in relationship to dance
- Perform concussion management on the sideline
- Describe operative vs. non-operative management of various orthopaedic pathologies

STATEMENT OF NEED
A need for this live activity has been determined by identifying professional practice gaps and reviewing previous course evaluations. The content of this course is based on current issues and hot topics provided by ACSM, AMSSM and AOSSM membership and leadership.

PROGRAM
AOSSM attest that the people responsible for the development of this live activity did so independently and were not influenced by commercial supporters.

DISCLOSURE STATEMENT
In accordance with the guidelines of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of the AOSSM that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on, patients). Any and all disclosures will be provided in the final program that is distributed at the meeting to program participants. In accordance with AOSSM policy, faculty participation is predicated upon timely submission and review of AOSSM disclosures. Non-compliance results in faculty being stricken from the program.

DISCLAIMER
The material presented in this continuing medical education program is being made available by the ASCSM, AMSSM and AOSSM for educational purposes only. This material is not intended to represent the only methods or procedures appropriate for the medical situation discussed, but rather it is intended to present an approach, view, statement, or opinion of the faculty, which may be helpful to others who face similar situations. Neither the content (whether written or oral) of any course, seminar or other presentation in the program, nor the use of a specific product in conjunction therewith, nor the exhibition of any materials by any parties coincident with the program, should be construed as indicating endorsement or approval of the views presented, the products used, or the materials exhibited by the ACSM, AMSSM or AOSSM, or its Committees, Commissions, or Affiliates. The ACSM, AMSSM and AOSSM make no statements, representations or warranties (whether written or oral) regarding the Food and Drug Administration (FDA) status of any product used or referred to in conjunction with any course, seminar or other presentation being made available as part of this course. Faculty members shall have sole responsibility to inform attendees of the FDA status of each product that is used in conjunction with any course, seminar or presentation and whether such use of the product is in compliance with FDA regulations.

CONTINUING MEDICAL EDUCATION CREDIT
The American Orthopaedic Society for Sports Medicine (AOSSM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. AOSSM designates this live activity for a maximum of 22 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CONTINUING EDUCATION FOR ATHLETIC TRainers
The American Orthopaedic Society for Sports Medicine (AOSSM) (BOC AP#: P460) is approved by the Board of Certification, Inc. to provide continuing education for Athletic Trainers. This program is eligible for a maximum of 22 Evidence-Based Practice Category (EBP) hours / CEUs. ATs should claim only those hours actually spent in the educational program.

AAFP CREDITS
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
