

Requisition Number:

Organization: Wegmans School of Health
and Nutrition

College: Health Sciences & Technology

Posting Rank: Visiting Assistant Professor

Position Title: Visiting Assistant Professor,
Exercise Science

Anticipated Start Date: Flexible

DETAILED JOB DESCRIPTION:

RIT's Wegmans School of Health and Nutrition in the College of Health Sciences and Technology invites applications for a Visiting Assistant Professor in the Exercise Science Program. Exercise Science at RIT is a dynamic program in a technologically rich environment including collaborations that integrate physiology with virtual reality and augmented reality games. This position will have responsibilities in research and teaching. The successful candidate is expected to develop an applied research program in exercise science that may include, but not be limited to, quality of life, well-being, motivation, or rehabilitation issues. This position will also participate in the implementation of baccalaureate and advanced degree programs in exercise science and health & well-being by teaching courses such as, but not limited to Biomechanics, Theory of Athletic Injuries and Sports Psychology. We are seeking an individual who has the ability and interest in contributing to a community committed to student centeredness; professional development and scholarship; integrity and ethics; respect, diversity and pluralism; innovation and flexibility. The position is a 2-year appointment.

THE UNIVERSITY AND ROCHESTER COMMUNITY:

The Exercise Science Program (<http://www.rit.edu/exercisescience>) is housed with the RIT nutrition programs in Wegmans School of Health and Nutrition (<https://www.rit.edu/healthsciences/other-areas-of-study/wegmans-school-health-nutrition>). The mission of the Wegmans School of Health and Nutrition is to *engineer effective health and nutrition education to be a reasonable adventure that is feasible, sustainable, compelling, and rewarding*. Our vision is that scholars, students and citizens walk the talk to secure health for all. The Wegmans School of Health and Nutrition (WSHN) offers degrees in Exercise Science, Nutritional Sciences, and Dietetics and Nutrition. The Dietetics and Nutrition program is accredited by the Accreditation Council for Education in Nutrition and Dietetics and prepares students toward becoming Registered Dietitians. In addition to programs in WSHN, the College of Health Sciences and Nutrition offers programs in Biomedical Sciences, Diagnostic Imaging, Physician Assistant and graduate programs in Health Systems Administration and in Medical Illustration.

About the University:

Founded in 1829, Rochester Institute of Technology is a diverse and collaborative community of

engaged, socially conscious, and intellectually curious minds. Through creativity and innovation, and an intentional blending of technology, the arts and design, we provide exceptional individuals with a wide range of academic opportunities, including a leading research program and an internationally recognized education for deaf and hard-of-hearing students. Beyond our main campus in Rochester, New York, RIT has international campuses in China, Croatia, Dubai, and Kosovo. And with more than 19,000 students and more than 125,000 graduates from all 50 states and over 100 nations, RIT is driving progress in industries and communities around the world. Find out more at rit.edu.

Rochester, situated between Lake Ontario and the Finger Lakes region, is the 51st largest metro area in the United States and the third largest city New York State. The Greater Rochester region, which is home to nearly 1.1 million people, is rich in cultural and ethnic diversity, with a population comprised of approximately 18% African and Latin Americans and another 3% of international origin. It is also home to one of the largest deaf communities per capita in the U.S. Rochester ranks 4th for "Most Affordable City" by Forbes Magazine and MSN selected Rochester as the "#1 Most Livable Bargain Market" (for real-estate). Kiplinger named Rochester one of the top five "Best City for Families."

REQUIRED MINIMUM QUALIFICATIONS:

1. Dissertator status (All But Dissertation) for a Doctoral degree in exercise science, kinesiology or closely related field with PhD to be awarded within 1 semester of hire.
2. Evidence of scholarship in the related field, e.g., publication, national presentation, symposium participant.
3. Demonstrated teaching experience and/or completion of pedagogical/andragogical courses and training.
4. Credentialed or eligible to be credentialed by the American College of Sports Medicine (ACSM) and/or National Strength and Conditioning Association (NSCA).
5. Ability to contribute in meaningful ways to the college's continuing commitment to cultural diversity, pluralism, and individual differences

Minimum Education Qualifications: PhD dissertator status
