

# **Physical Therapist / Senior Physical Therapist**

## **California Children's Services**

### **THE POSITION**

This vacancy is for the California Children's Services- Medical Therapy Program. The mission of the California Children's Services (CCS) is to help children under the age of 21 who have special medical needs such as: chronic medical conditions like cystic fibrosis, hemophilia, cerebral palsy, heart disease, cancer; traumatic injuries; and infectious diseases that cause major medical problems.

The Medical Therapy Program (MTP) is a special program within CCS that provides physical therapy, occupational therapy, and Medical Therapy Conference services to CCS MTP eligible children. To learn more, please visit: <https://vchca.org/medical-therapy-program>

Under general supervision, the Physical Therapist (PT) assists in the habilitation and rehabilitation of patients by providing services to patients with impairments, functional limitations, disability, or change in physical function and health status resulting from injury, disease or other causes.

Under direction, Senior Physical Therapist (Sr PT) evaluates referred patients; plans, coordinates resources, and administers physical therapy treatment programs; plans and supervises the clinical skills of staff physical therapists and physical therapy assistants, aides, volunteers, and students.

The Physical Therapist and Senior Physical Therapist are represented by the Service Employees' International Union (SEIU) and are eligible for overtime compensation.

### **JOB REQUIREMENTS**

#### **Physical Therapist**

A Bachelor's degree from an accredited school of physical therapy, or proof of equivalency, AND possession of a current valid PT license issued by the State of California OR eligibility to apply for and obtain a valid California PT license within the probationary period, which, once obtained, is a condition of continued employment.

#### **Senior Physical Therapist**

A Bachelor's degree from an accredited school of physical therapy or proof of equivalency, AND two (2) years of physical therapy experience OR successful completion of an internship program with the hiring department or an equivalent training program and one (1) year of experience as a PT. Required is one (1) year experience in the California Children's Services Program.

## **NECESSARY SPECIAL REQUIREMENTS**

- The physical ability to lift and carry 50 pounds unassisted.
- Possession of a current Cardiopulmonary Resuscitation (CPR) certificate by date of hire, which, once obtained, is a condition of continued employment.
- Possession and maintenance of a valid California driver license.
- Live scan fingerprinting clearance is required prior to appointment.
