

MANUSCRIPT AWARD OPPORTUNITIES

Students are invited to submit manuscripts of their original research to be judged on the quality of manuscript preparation. Up to four manuscripts will be selected as manuscript award winners, with monetary awards given to the finalists at the 2022 TACSM Annual Meeting.

Awards-

Up to four students will be recognized as manuscript award recipients based on the evaluation by a committee of TACSM faculty members.

4. Must be present at the TACSM Annual Meeting.
5. Must be pre-registered for the 2022 TACSM Annual Meeting no later than **January 21, 2022**.

Recognition at the Annual Meeting-

Up to four students-recipients will be recognized given a plaque and cash award at the Awards Ceremony at the conclusion of the Annual Meeting. Students whose manuscript is not selected for an award will be automatically entered in the non-judged student poster category.

Submission & Review Process-

Applicants may submit only one manuscript and can receive only one award per year. The TACSM Manuscript Review Committee will review all award applications and make finalist recommendations to the Board of Directors. Final ranking of recipients will be announced at the Annual Meeting. Submit your application as one single PDF file (do not submit multiple files) to [Lem Taylor](#), PhD; TACSM Executive Director.

NOTE-

TACSM must issue 1099 forms for all payments to students of \$600 or more, so student award winners will be expected to report this income to the IRS if the award checks are made out to them. Or, if the student prefers, TACSM can have the award checks made out to the student's University. For this to happen a faculty member at that institution must pre-authorize this and TACSM should be informed prior to the annual meeting.
